Foreword

This publication of 2003 Statistical Yearbook for the Palau Ministry of Education is a product of an ongoing effort to help educational leaders make better and more informed decisions about policies and resource allocations for schools and educational programs. Its purpose is to serve as a reference for specific information concerning the Ministry of Education.

Data presented in this yearbook is classified into the following categories:

1. Current Student Enrollment
2. Student Enrollment Trend
3. Graduates Data
4. Personnel Data
5. Projection of Retirees
6. Ministry of Education Budget FY 2003

Publication of this yearbook was made possible by active participation of schools throughout the Republic in data collection. Personnel and budget data were supplied by the Division of Personnel Management and Administrative Service Unit. Data analysis and reporting were done by the staff of Division of Research & Evaluation.
